APMP NEWSLETTER

Vol. 2, December 2020

Association for the Philosophy of Mathematical Practice
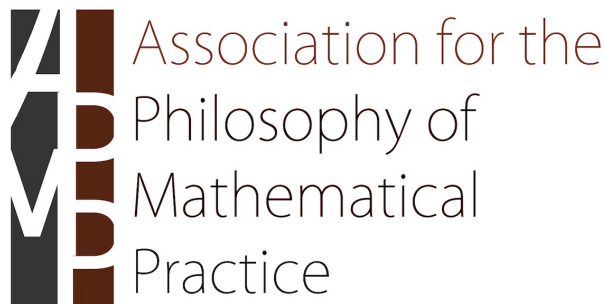

Welcome!

This is the second edition of our *Newsletter*, which aims at providing some general information about activities of the APMP. The general motivation is to better communicate activities of the APMP to all members, to inform about upcoming events related to the philosophy of mathematical practice, and to foster and support our community.

We hope that everybody is doing well during these difficult times of the worldwide COVID-19 pandemic and we wish you a Happy and Healthy New Year!

Jessica Carter — on behalf of the Directive Committee

APMP Meeting 2021

The next APMP conference will be held as a virtual conference on 30 June – 3 July 2021. A Call for Papers will be sent out soon. More information will follow on our website as it becomes available. In 2023 we intend to return to our previous schedule of organising bi-annual physical conferences.

Online lecture series

● University of Trento has formed the *Popularization of Mathematics Lab* which organises a series of talks in Italian, see `https://sites.google.com/unitn.`
`it/popmat-unitn/home-page`

● The *Canadian Society for History and Philosophy of Mathematics* organises talks once or twice a month on the Philosophy and History of Mathematics. Their homepage advertises these talks as well as other events: `http://www.cshpm.org/calendar/`

● The Orange County and Inland Empire (OCIE) seminar in History and Philosophy of Logic and Mathematics organise bi-weekly online seminars on Friday mornings (California time). They will continue through the spring: `http://pzacad.pitzer.edu/math/PhilosophySeminar/HOMsem.html` or `https://faculty.ucr.edu/~reck/OCIE-Group.html`

Lecture series

● Tim Gowers organises a seminar on the Philosophy of Mathematical Practice, *La Philosophie de la pratique des mathématiques* at the Collège de France starting in January 2021: `https://www.college-de-france.fr/site/timothy-gowers/seminar-2020-2021.htm`

Upcoming conferences

● APMP together with the Philosophy of Mathematics Association have organised a special session on the Philosophy of

Participants at the 5th International Meeting of the APMP, January 18–22, 2020, Zurich, Switzerland.

Mathematics at the next *APA Pacific Division* meeting which will be held online. Organisers are J. Avigad, S. De Toffoli, Y. Hamami and J. Kennedy : 5-10 April 2021. `https://www.apaonline.org/event/2021pacific`

• The joint conference of the *British Society for the History of Mathematics* and the *Canadian Society for the History and Philosophy of mathematics (BSHM-CSHPM)* on *People, Places, Practices* that was planned for July 2020 in St Andrews is postponed to next summer: 12–14 July 2021. `http://www.mcs.st-andrews.ac.uk/bshm-cshpm/index.shtml`

The satellite conference on *Mathematical Cultures & Practices XI* has also been postponed accordingly: `https://www.math.uni-hamburg.de/spag/ml/MathCultPracXI`

• The *12th International Conference on the Theory and Application of Diagrams* will be held as a virtual event: 28 – 30 September 2021. `http://www.diagrams-conference.org/2021/`

• The conference *The End of Philosophy of Mathematics* organised by John Burgess and Silvia De Toffoli at Princeton University is postponed until a physical meeting can be held. `https://princetonphilmath.wordpress.com/`

Preprint Archive

An underused resource is the *PhilMath Archive*, which is an electronic archive tailored to and run by philosophers of mathematics, sponsored by the APMP as well as the International Association for the Philosophy of Mathematics (PMA), the Canadian Society for the History and Philosophy of Mathematics (CSHPM), The British Society for the History of Mathematics (BSHM), the Philosophy of Mathematics Special Interest Group Mathematical Association of America (POMSigma).

We encourage our members to post preprint versions of their papers at: `http://philsci-archive.pitt.edu/philmath.html`

In addition, we also encourage to use the

category "Mathematical Practice" when tagging your papers in the *PhilPapers* archive at `https://philpapers.org`

About the APMP

Founded in 2009, the Association for the Philosophy of Mathematical practice aims to support research in philosophy of mathematics related to mathematical activity, past and present.
