
APMP NEWSLETTER

Vol. 6, February 2023

Welcome!

This is the latest edition of our *Newsletter*, which aims at providing some general information about activities of the APMP. The general motivation is to communicate activities of the APMP to all members, to inform about upcoming events related to the philosophy of mathematical practice, and to foster and support our community.

PMP on Facebook and Twitter

In addition to the distribution list, the APMP has a Facebook page and a Twitter account where we announce events and write about PMP-related content. If you would like us to post something on these, please write to Giselle Secco secco.gisele@gmail.com for Twitter and to Brendan Larvor, B.P.Larvor@herts.ac.uk for Facebook.

Election

The election for members to the Directive Committee (DC) of APMP will take place in March. You will receive an email when the list of nominees has been finalised and it is possible to vote.

Preprint Archive

An underused resource is the *PhilMath Archive*, which is an electronic archive tailored to and run by philosophers of mathematics, sponsored by the APMP as well as the International Association for the Philosophy of Mathematics (PMA), the Canadian Society for the History and Philosophy of Mathematics (CSHPM), The British Society for the History of Mathematics (BSHM), the Philosophy of Mathematics Special Interest Group Mathematical Association of America (POMSigma).

We encourage our members to post preprint versions of their papers at: <http://philsci-archive.pitt.edu/philmath.html>

In addition, we also encourage to use the category “Mathematical Practice” when tagging your papers in the *PhilPapers* archive at <https://philpapers.org>

About the APMP
